

PLUMBERS AND PIPEFITTERS LOCAL #333 FRINGE BENEFIT FUNDS

ELECTION FOR EXPEDITED ELIGIBILITY

As a newly organized Active Participant to the Plumbers and Pipefitters Local 333 Health and Welfare Plan (the “Plan”), my signature below indicates that I am selecting the Expedited Eligibility option, as permitted by the terms and conditions outlined in the Plan document.

My coverage for health and welfare benefits under the Plan, as well as the coverage for my Dependents (if applicable) will commence on my first day of Covered Employment (as defined by the Plan). By electing Expedited Eligibility, I understand that I will begin coverage under the Plan with a negative 250-hour balance in the Hour Bank. This negative Hour Bank balance will be made up over time, with the Plan crediting any Employer Contributions made on my behalf in excess of the number of monthly Contribution Hours required for Continuing Eligibility.

Upon electing Expedited Eligibility, I understand that if I do not make myself available for work from a Contributing Employer for any reason other than death, disability, or retirement, the Plan may recoup any negative balance in the Hour Bank in addition to any Contribution Hours made in excess of the Contribution Hours required for Continuing Eligibility.
